Snowman poop

Ingredients:

- Mini marshmallows
- Chocolate chips (white, milk or dark)
- Meringue drops (can be bought, or made by chopping a full-size meringue into tiny chunks)
- Fabric cut into 10-inch squares
- Gold thread or ribbon

Optional extras:

- Coconut flakes, for dusting
- Icing sugar, for dusting
- Mint imperials

Method:

- Lay a square of material flat on a surface and sprinkle equal amounts of mini marshmallows, chocolate chips, meringue drops and any added extras into the centre.
- Gather all four corners of the fabric and use your thread or ribbon to tie tightly around the neck, to keep the sweets together.
- Guide the thread or ribbon through the hole-punch in the label and tie a double knot.
- And there you have it – a lovely, festive and delicious bundle of snowman poop!
